Dear gods, that is a beautiful thing.

Awful that the point it makes even needs to be *said*, but god, such a beautiful thing.

You know, I saw the original, no-music-included compilation of those pictures. And the one which affected me the most, for whatever reason, was one of a girl, probably about fourteen, who had taken her own picture in the mirror.

I think it was when I realized that she would have had to have written her sign backwards. (Though someone with more spacial intelligence than I should tell me whether that's right.)

THOSE PICTURES. SO UNBEARABLY CUTE! And the video of the two boys and they were so -young- and goodness my heart's all a-flutter!

Also, there were a couple of awesome wedding dresses in there!
